I have no Wade data from Charles River Co. (originals still)

Some Conclusions.

The earliest record of Robert Wade of Va. that I find is the Land grant of 1733 of 250 acres on Lickinghole Creek in Goochland Co. This land he sold the next year to Philip Rigon and he is stated in the deed to be Robert Wade of Hanover Co. He also appears in 1739 in a deed to Andrew Wade of Goochland Co. In Hanover Co, his tithables were used to clear the road in 1737 and he was paid for removing poor people in 1759. He appears in a land grant in Halifax in 1753 and was appointed a Justice in Halifax in 1754. Your data shows a Robert Wade in Amelia Co, in 1751. Were these Robert Wades all one and the same man or were there two men? There is no further mention of Robert Wade of Hanover after the payment of removal of the poor. Evidently, we need more light on his movements. When I was working on the original records of Hanover Co, in Va. Library in Richmond; I understood Miss Bass, the attendant who waited on me, to say that all of Hanover records of an early period were there. Some may be lost. I searched through the St. Paul's Vestry Book to page 374, date 1774. There remained only a few pages when the Library at Alexandria closed and I never found time to go back.

It seems to me to get back of Robert Wade of Hanover that one would have to search in New Kent Co. as Hanover was formed from that in 1720.

Now the Library in Richmond has so many of the will and deed books of the early counties photostated, that one can get much information there. I shall be tremendously interested to know if you find this material helpful and where you do go finally. I believe to Hanover Wades.

Your data cleared up my problem of William Wade of Bedford Co. deed and working this up for you cleared the matter of Henry Wade deed in Bedford, so now all of the Bedford possible ancestors to my Mary Wade Carter narrow down to Jacob Wade and he belongs, I feel sure to Jeremiah and your note that Jeremiah went from York to Goochland, pigeon holes him to a certain extent. There one can speculate on Armiger and Edward the immigrants. If you can recall where you found that note about Jeremiah

2.

Wade going to Goochland from York, I shall appreciate it very much.
I think many of the Goochland Wades did come ~~th~~ere from Hanover Co.
I also think most of the Albemarle , Amherst , Bedford and Campbell Co. W
Wades were related. Further, I think the Prince Edward Co. Wades and some
of the Cumberland Co. Wades had a common ancestor.

WADE DATA ,FROM HENRICO COUNTY, VA.

And counties formed from the territory of the original Henrico CO.

Note, In taking the data from Hanover Co. , it seemed better to me to begin with the original shire and this I am doing with the counties formed from the Original shire of Henrico. In this way one can easily follow the records of a person from the earliest to the latest counties. B.M.H.

Henrico Co. Original Shire formed in 1634.

Daniel Wade- Land grant, March 1, 1781. Book C, p. 531. 103 acres on each side of road called Pouncey's tract. (Source, Va. Land Office.)

The following marriages to 1800 were taken in the County Clerk's Office in Richmond.

Eward Wade 1789 to Elizabeth Thurman.

John Wade's widow 1682 to John Morton.

Joseph Wade 1797 to Elizabeth Ellis, widow.

Sally Wade, dau of Ann to Henry Woodcock, 1792.

Susanna Wade, 1799 to Wm. Echo.

Robert Wade of Hanover sold some land in the next year to Philip Rigon. and your dat^a shows a deed between Robert of Hanover and Andrew of Goochland. Is not this Robert your Robert Wade Sr.? I have no further record of this Robert in Goochland Co. Although my Goochland Wade data is by no means complete. I concentrated on Carters and Cheatwoods in the two days that I have spent among Goochland Co. records.B.M.H.

Goochland Co. Records.

Jeremiah and Pearce Wade, sons-in-law of Joseph Ballenger, were named as executors of his will dated Jan. 5th, 1744 and proved Feb. 19, 1744.

Mary Ballenger was the wife of Pearce Wade and Charity Ballenger was the wife of Jeremiah Wade. (Book 4, p. 495.)

Note, this was the year Albemarle Co. was cut off from Goochland and both the Ballengers and their sons-in-law the Wades lived in Albemarle Co. Bishop Meade says the "Old Ballenger Church" was in ruins in 1820 and that it was located near Warren in Albemarle Co. St. Anne's parish.

Albemarle County, Cut off from Goochland in 1744 and contained part of Louisa Co. and certain Islands in Fluvanna River. Andrew Wade, Court Order, 1745, Petition against John Coleman.

Is not this Andrew Wade of Goochland and later of Halifax? I made a very thorough search of Albemarle records to year 1800 and I have no other mention of him. B.M.H.

David Wade, 1760, and wife Elizabeth deed, David of Albemarle Co.

David Wade of Henrico Co. 1782, deed, 135 acres in Albemarle.

David Wade, 1793, Inventory of estate.

Jeremiah Wade of Cumberland appears in list of tax alterations in 1795

~~Bedford~~ Co. Cont.

Amherst Co. formed from Albemarle Co and certain Islands in Fluvanna River in 1761.

Pearce Wade and John Wade make up the bulk of records in Amherst Co.

among the Wades. Evidently their lands were thrown into Amherst in the division from Albemarle Co.

John Wade , 1775 a deed. In 1783, Head of a family of 7 Whites. (U.S. Census). Will dated Feb. 1785; proved July 2, 1787. Wife Elizabeth, Son Dawson, dau. Jesse Shasteen and Elinor Shasteen. (Will Book 3, p.43.)

Pearce Wade, and Mary his wife, deed in 1764. This ~~is~~ the last mention of Mary Wade, that I have found, next appears a wife of Pearce Wade by name Elizabeth.

Pearce Wade, Will, Dec. 13, 1769; proved March 5, 1770. Wife Elizabeth , dau. Susanna and "younger children", Dau. Elizabeth, Dau. Abigail Hardwick Wade. (Will Book I, p. 161.)

Pearce Wade's orphans with guardian bonds appear as follows.

Abigail Wade, orphan of Pearce Wade in 1779, in 1788 she was 21 years of age according to the testimony of Elizabeth Fowler , This related to her marriage to Mr. John Reynolds.

Clay Wade, orphan of Pearce Wade, 1779 guardian bond. ~~Lucretia Wade~~

Lucretia Wade. 1779 , orphan of Pearce Wade, guardian bond. These are in (Will Book I.)

Jeremiah Wade of Albemarle Co. Joseph Ballenger and Richard B allenger and Pearce Wade of Amherst Co. gave a deed in 1763 to George Seaton. Jeremiah Wade, orphan of Pearce Wade should have been included in his list of orphans , guardian bond in 1779.

Ballenger Wade and Sally his wife gave a deed in 1795.

Nathaniel Wade , 1785 was Head of family of 7 white souls. (U.S. Census).

Pearce Wade , 1781, ordered into service in 1st Rifle Co. of Amherst Co.

(~~D.A.R. Ancestor. Lineage Book XXXIV, P. 167.~~)
Richard Wade - D.A.R. Ancestor Vol - 94 - p 163. Lineage Book
9(Hardestys Historical and Geographical Encyclopedia.)

Powhatan Co. cut off from Cumberland and part of Chesterfield
in 1777.

Danial Wade. 1807 married Ann Saunders, (Powhatan Co. Marriage Bonds).

Note, this *may* be the Danial of Chesterfield of your notes . I ~~made~~
made a thorough search of Powhatan in my other lines and I found
no Wades.

Bedford Co. formed in 1753 from Lunenburg and part of Albemarle
Co. It properly belongs in the southern group of counties ~~in~~
that is Halifax etc. but as it contains some of the territory
and families of Albemarle Co. and later these are thrown into
Campbell Co. I include it here.

You already have some Bedford notes from me , but I can amplify and
clarify.

Archibald and Alexander Wade appear in the records in the early 1800's many
times.

Christopher Wade is a name found in 1860.

Danial Wade in 1817.

David Wade in 1797 in a deed to him of land in Bedford Co. He had wife
she was dau. of John Simmons of N.C. or S.C.
Frances , according to his will in 1831 , sons James Wade, grandson
James Hensley, dau. Elizabeth Roach, her husband Cornelius Roach;
dau. Frances Bellamy, grandchildren, William Wade, Richard Wade and
Catherine Wade children of son Edmund Wade; dau Ann Smith; sons
James Wade, Jeremiah Wade and David Wade. (Book G, p.458.)

Henry Wade. June 25, 1781, Thomas Heath and Martha his wife sold to Henry
Wade a tract of 250 acres in Bedford Co on both sides of south
fork of Bear Creek. Signed Thomas Hayth and Martha Hayth.

(Bedford Co. Deed Book G, p. 63.)

Note, this same tract was sold by Henry Wade in Campbell Co.

It was thrown into Campbell Co when that was cut off of Bedford.

7. Henrico Co. Cont. Bedford Co. Records.

Isaac Wade. 1779 a deed. Followed by many deeds from Isaac and Mary Wade his wife. His will probated in 1823. Heirs, wife Mary, Margaret Wade, Archibald Wade, Nancy Wade, Samuel Adams, Martha Adams Henry Stevens, Nancy Stevens, Richard Ballenger, Alexander Wade, Sally Ballenger, Mary Wade, Paschal Wade, Frances Wade, Isaac Wade Mary Wade . (Book T, p. 44.)

Isaac Wade, Rev. soldier , application for pension by his widow Polly Wade who was widow of Thomas Stevens when he married her and dau. of ---Gibbs. Date of application 1818 . Allowed. (U.S. Pension Dept. Washington, D.C.)

Jacob Wade, and wife Anne in deed in 1780 and numerous deeds thereafter until 1795 when Anne made last relinquishment. Jacob Wade married Mary Branch in 1800 . Prior to this marriage he sold and bought lands on Big and Little Otter Rivers, which is in northern part of county near where William Carter my g-great grandfather lived and near the Cheatwood estate where Evaline Ellis Cheatwood lived. She married my grandfather Robert Stewart C Carter. After Jacob Wade married Mary Branch, he sold and bought land on Wolf Creek. and deeds of trust are recorded. One of these includes a negro woman Mariah and her son Stephen to Carter and Miller of town of Liberty. As we have a family tradition about a rift between Mary Wade Carter and her father about a negro woman servant, I am wondering if this is the one.

Also the early deeds include several transactions with Sarah Quarles and I wonder if there was a relationship there and if ~~sh~~ Sarah Quarles might have been Ann Wade's mother.

Jacob Wade, Rev. Soldier, applied for pension in 1818, allowed. No mention of family. (U.S. Pension Dept. Washington, D.C.)

8. Henrico Co. Cont. Bedford Co. Records.

Jacob Wade, April 23, 1821, Inventory of Estate , No mention of children though Mary Wade widow was made administratrix.

Jeremiah Wade, 1772, Will proved Sept. 28, 1772. Property to be sold and divided among his children. Executors, Richard Ballenger, James Hilton, Nathan Hilton . Witnesses, Nathan Ervine, Jesse Hilton, Elizabeth Mitchell. (Will Book A, p. 163.)

Note, I think James Hilton was his son-in-law and that his wife Lucy was formerly Lucy Wade. B.M.H.

Joshua Wade, 1786 married Ann Boatwright, He was a Rev. Soldier and his widow applied for pension July 19, 1842 from Franklin Co. Ga. She was then 78 years of age. Joshua enlisted as a substitute for his brother Isaac (Isaac lost a leg.) Joshua died Feb. 17, 1800 from an injury. John Peebles deponent, saw Joshua Wade and his brother Jacob Wade at Battle of Guilford and saw him in service. (U.S. Pension Dept. Washington D.C.)

This settles relationship of Isaac , Jacob and Joshua Wade.

Joshua Wade, 1817, Heirs in deed , Anney Wade widow, John Wade, Patty Wade , Betsy Wade and James Wade , minor. (Deed Book 6, p109½.)

Mary Wade, dau of David and Frances , 1793 married John Hensley.

Pierce Wade, 1780 married Elizabeth Thurmond . D.A.R. Record says that Pearce Wade died in Lincoln Co. Ky. in 1818.

William of Halifax in my former notes.

Campbell County cut off from Bedford in 1781.

Henry Wade, April 8, 1799 deed to Henry Trent as follows; Henry Wade of Cumberland Co. and Lucy his wife and Matha Haeth of the one part to Henry Trent Sr. 200 acres in Campbell Co on both sides of south fork of Bear Creek etc. Signed Henry Wade, Lucy Wade Martha Heath. (Campbell Co. Book 4, p. 531.

Henry Wade , 1819 Inspector of Tobacco (Campbell Co. Records.

9. Henrico Co. Cont.

Campbell Co. Records.

Henry Wade, 1833 , Inventory of Estate, List of heirs- Children- William T. Wade, Mary Ann Wade, Zackfield Wade, Henry C. Wade. Allotment made to Lucy Ann G. Wade widow in 1842, she was at that time wife of Joshua Flagg. (Campbell Co. Records.)

Pearce Wade, 1792, of Ky, deed. Also sold slaves in 1799.

Fluvanna Co. was cut off from Albemarle Co. in 1777.

David Wade , 1782 , Head of a family of 10 whites . (U.S.Census.)

Also your data relating to David Wade and wife Elizabeth.
and Ballenger Wade and Sarah his wife and Pierce Wade's line.

Buckingham County was cut off in 1761 from Albemarle Co.

Note, Buckingham records have been destroyed . The county Court House burned with it the records. Tillotsen parish vestry book is lost according to Bishop Meade. There is a land plat made in an early day in Va. Library at Richmond and a few tax lists. William Wade appears in the U.S.Census for 1820., and in 1810 .

This closes this group of counties. I visited and collected most of these records myself. Even going over Court Orders in Albemarle, Amherst and Cumberland Counties. B.M.H.

Deeds made between Robert Wade, party of the 1st part; Hampton Wade, party of the 2d part, and William Stokes, Edward Wade and William Wade, parties of the 3d part:-

" Whereas about 1747, Hampton Wade, Son of Robert Wade, intermarried with Jane Ellis, daughter of John Ellis of Amelia County, va.

On which occasion there arose a small controversy, between the said John Ellis and the said Robert Wade, of helping their children, Hampton Wade and Jane Ellis Wade--and with regard to advancing the fortune of ~~of~~ each, these their Children-

" Robert Wade among other things gave them two negro male and female ~~slaves~~, who have the use of them ever since--

And as he finds the said John Ellis among other things in his life time settled two other male and female slaves on his said daughter Jane and the said Hampton for and during each of their natural lives and then did give the said two negroes together with the increase to the four elder Children of the said Hampton and Jane Wade,

It is therefore considered that the said Hampton and Jane his wife, have several other children issues of their two bodies unprovided by the said John Ellis, whoses names are John Wade, Thomas Ellis Wade, Horatio Wade, and Clemont Wade.

This Order was entered at the March Term, 1814
IN Pleas No. 31, Page 63.

Jas N Medley Clerk

The Polly Wade, mentioned above is doubtless the widow of Richard Wade, Senr, deceased, and she qualified with Richard Wade. above as his admrs., and she is mentioned as Mary Wade, in the Settlement of Account current and acct of sales.

Richard Wade, mentioned above was the same who married Sarah Chappell, this is shown in the Chancery suit Dickie Chappell & other brought vs. John and Ann Chappell, to partition estate of John Chappell among his widow and heirs--
Among the plaintiffs is Richard Wade and Sarah Wade, his wife..

Now Richard Wade Jr., had qualified as administrator of Horatio Wade Jr., February, 1811, Pleas 28, page 493. and gave a \$5000.00 bond, with sureties B. Gresham and Roy Boyd

Settlement of Accounts Current
of

At the November Court of Halifax County, 1913---Pleas 30, page 446

Commissioners were appointed to settle the accounts of Richard Wade and Polly Wade, Admr. and Admx. of Richard Wade, deceased, and also of Richard Wade administratrix of Horatio Wade, deceased.

Both of these estates were settled by the same Commissioners at the same time, confirmed at the same time and recorded at the same time, so there is no doubt that it was the same Richard Wade mentioned in both cases who was the husband of Sarah Chappell Wade.

The qualification of Richard Wade Jr., as administrator of Horatio Wade, deceased, in the place of his father, shows that this Horatio Wade was the son of Hampton Wade, who died in 1767, that Richard Wade Senr., was his brother and also the son of Said Hampton Wade, and that Richard Wade's Senior's wife was named Mary and called Polly. and that the Richard Wade, who married Sarah Chappell, was the son of Richard Wade, Senr. and Mary Wade.

William Wade, Robert Wade, Richard Wade
and Betsey Wade ^{wade} sons and daughters of the

WADES IN MARYLAND CALENDAR OF WILLS ,

By Jane Baldwin Cotton.

(These data were sent to me by Mrs. H.L. Kinnison of Fort Benning, Ga. .Who is a descendant of Joseph Wade of Hanover Co. Va. -see my notes on Hanover Co.- There seems a possibility to me that our southern Virginia Wades may have originated in Maryland. The names Zacheriah -spelled in different ways and Robert and Richard seem to be common to the Wades of Maryland, Hanover Co. Va. and some of the southern counties of Va. So it may be well to keep this data in mind. I recall too that some of the Maryland data concerns Wades at Leonardtown which is just across the Potomac from King George Co. Va.)

Dear Mrs. Chapman:

I looked at the original will of Richard Wade, deceased, which was probated in 1842, and he mentioned his daughter Susan Stanford and Standford in another place, the Stanford was mentioned first.

I made this correction on the will book as it was a mistake carelessly made. (But the names were not Stanfield) as the Clerk had erroneously recorded.

In the extract of George Boyd Senr's Will ~~he~~ mentioned his daughter Mary Wade, the wife of Richard Wade.

This bothered me somewhat, because he mentioned that he had given his daughter Mary Wade 150 acres of land on which they now lived-

As Richard Wade Senr., had a considerable acreage of land this seems a small place for him to make his home on his wife's land instead of living on one of his places.

But these must be the right parties as the dates correspond with the facts.

Other Wade's and Boyd's married, Charles Wade for instance married the sister of John ~~Wade~~ Boyd, and they had children.

Richard Wade's

There were also a number of ~~xxxxxx~~ Stephen Wade, the Son of Robert Wade, and brother of Hampton Wade, who died in 1767, had a son named Richard Wade. And this Richard Wade was will land in Halifax County by his father Stephen.

I want to get this line straight for you and if these are not ~~xxxx~~ positive enough do not hesitate to call on me, for I will be glad to complete the search and strengthen the weak links.

Yours very truly,

Dear Mrs. Chapman:

I should have written long ago, but there are so many Wade's of the same name that I never had enough time when I was in the notion to connect them.

I am going to give some information that I have gleaned from the books and then I am going to ask you to give me some points and we may be able to connect them and trace them directly to Hampton Wade.

The tripartite deed you mentioned from Amelia County is also recorded in this County, and from a careful reading of this deed I am of opinion that the children mentioned in this deed are the youngest instead of the oldest as you suggested. The ones mentioned were, were John Wade, Thomas Ellis Wade, Horatio Wade and Clement Wade--
Could I be right in this opinion, ~~from your records is pending of said deeds.~~

Now Richard Wade, was the administrator of Horatio Wade, Richard Wade was the administrator of George Wade, And Richard Wade and Mary Wade, Administrators of Richard Wade, deceased.

This Richard Wade must have been the same Richard that was born in or about 1782, could this be the case.

In a Chancery suit brought in 1814, Pleas Book 31, page 63 by the following parties heirs of Richard Wade, deceased, Senr. Robert Wade, George Wade, Richard Wade, Amy Patterson, Sally Wade, Rebecca Wade, Polly Wade and Betsy Wade
vs.

Polly Wade, widow of Richard Wade Senr. deceased.

This suit was to partition the slaves and lands of Richard Wade after assigning dower to his widow Polly Wade &c.

This Polly Wade is evidently the same person who as Mary Wade, with Richard Wade ~~xxxxxxx~~ qualified as administrators of Richard Wade, as mentioned above. --This Richard Wade here mentioned is the same who married Sarah Chappell.

Now the Richard Wade Senr. whose son and widow qualified as his administrator could very easily have been the son of Hampton Wade, he was possibly one of the younger sons.

I can only connect him so far directly as a son of Hampton Wade by his qualifying as administrator of some of Hampton Wade's sons, and he is undoubtedly ~~and beyond any doubt~~ the father of your Richard Wade, who was born about 1882 and married Sarah Chappell-

Now George Wade, the son of Hampton Wade, evidently was never married, for in the settlement of ~~the estate of~~ ~~George Wade~~ the guardian account of a man named George Wade 1810 or soon thereafter, the guardian used the words as follows " Your interest in your father's estate and in George Wade's estate! This was settled in March, 1819. and from this quotation it eliminates George Wade from being a married man. ~~This seems to explain~~

To confirm this conjecture, Richard Wade, (YOUR Richard; who died about 1840 and married Sarah Chappell) in his settlement of the estate of George Wade, made the following distribution, as shown by his settlement about 1816, to these persons:- Robert Wade--Hampton Wade- Sarah Wade- Richard Wade's Estate (His fathers) Horatio Wade's Estate;

It seems from the connection of these parties, that the other children of Hampton Wade and Jane Ellis Wade, were Robert, ~~Richard~~ Richard, Hampton and Sarah.

Robert Died about, 1765-- And Robert Wade his son died 1811--
Hampton Wade, son of Hampton Wade, died about 1768 and his widow married again in, 1769 --

Now while I cannot absolutely connect them, yet from all the records I have found ~~and~~ a part of which I have written you, I think, the Richard Wade, who died in 1840, and was born in 1782, is the same and identical Richard Wade, who with his mother qualified as administrators of said Richard Wade Senr. ~~who was undoubtedly~~ ~~and the Richard Wade Senr.~~, whose wife was Mary or Polly was the son of Hampton Wade-for a number of reasons-One is that he qualified as, and had an interest in the estate of some of his Uncles, sons of Hampton Wade, Senr.

I hope, tomorrow, to take all my notes and type them and ~~again~~ ~~and~~ ~~have~~ ~~my~~ ~~memory~~ ~~freshen~~ my memory and see if I can get anything ~~else~~ ~~for~~ you

I will write you again in a few days, but would like for you to make some comments on what I have written before sending more information if you deem it necessary.

Yours very truly,

Jas. A. Medley

I believe this Robert must have been the son of Hampton Sr.

The Robert who died 1811 - I believe was he

Dear Mrs. Chapman.

I herewith enclose you in part data and certificates to prove part of our contention that the Richard Wade, who married Sarah Chappell, was the son of Richard Wade Senr., and the Grand-son of Hampton Wade, decd., who died in 1767 or about that time. and the great grand-son of Robert Wade' whose will is shown in part.

I think that beyond a doubt the above facts are true and are proved by the records .

I have a lot more dope about the Wade's that I have gleaned from our records and which I will keep for future reference should we need more.

I feel certain that I will have to make some changes, so do not hesitate to write me at once and tell me exactly what you want done and I will do this .

As I had these sheets about complete, especially the 1st and 2d, I decided to send them on and see what changes you wished.

I will have to charge you \$10.00 for the complete search and transcript.

I thank you for mentioning Kate and her children, as I have not heard from them for some time.
